

Care From Anywhere—24/7

Access to 98point6® is now extended as part of your employer's Quest Diagnostics® screening program.

98point6 provides on-demand, text-based virtual primary care that allows you to easily connect with a physician via an app for **\$0 per visit**, available to employees and dependents ages 18 and older as part of the employee biometric screening program with Quest Diagnostics. Board-certified physicians can also offer diagnosis and treatment, have prescriptions sent to your local pharmacy or order labs for further testing.

98point6 can address primary care conditions including:

- ✓ Flu-like symptoms
- ✓ Rashes
- ✓ Seasonal allergies
- ✓ Muscle sprains and strains
- ✓ Stomach problems
- ✓ Urinary Tract Infections (UTIs)

If you've already downloaded the app, start a visit today with a physician who can answer questions, diagnose and treat or help support chronic conditions in conjunction with your in-person primary care provider.

Registration is Easy

If you haven't yet downloaded and registered for 98point6, it takes less than 90 seconds and you can begin to receive unlimited primary care at **no cost to you**.

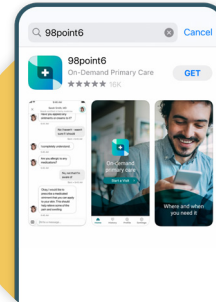

Registering for 98point6 requires using the same email address you used to register for My.QuestForHealth.com. If you have not registered on My.QuestForHealth.com, use the correct email address on-file with your employer.

If you have any questions about what email address to use, please contact the Quest Service Center at **1-855-623-9355**.

Download the 98point6 app now. Already registered? Start a visit today.

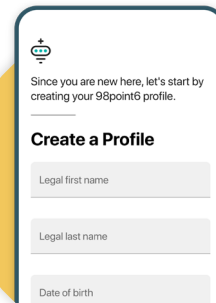

Learn more and register at 98point6.com/QuestDiagnostics, or scan the QR code to get started.

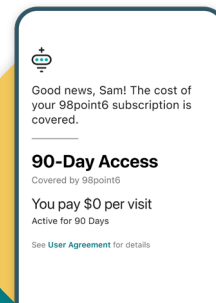

1 Install the app

Download the 98point6 app from the App Store or Google Play.

2 Create your account

Complete your profile with a few pieces of information, including name, date of birth and email address.

3 Subscribe

Simply select "Subscribe" to complete your registration. You'll be a tap away from starting a visit anytime.
